Victorian Championship Reserve Premiership Defeated Eltham 56-45

A great result for the 16.1 Girls, coming from 5th position to take out the Victorian
Championship Reserve Premiership.

It was a very tight first three quarters, with not much separating both teams as the game
was tied at the end of the third quarter.

Nerves and excitement were running high as the last quarter of the season was upon the
girls, and they did not disappoint. The girls put everything up an extra gear, only allowing
Eltham to score 5 points whilst getting some important shots scoring 16 points for the
quarter.

A fantastic team game by all the girls, and well done to everyone!

Emma Povh – 21 points (MVP), Chrissy Triantafyllopoulos 19 points.
